Dear Parents and Carers,

I would just like to remind you that here at Holy Souls we have a Pastoral team who work hard with our children to help them overcome any barriers to their learning and development in a supportive environment. We also work closely with parents to support them to ensure their children achieve their full potential which sometimes means that we help and support parents who may be facing their own difficulties.

I would also like to draw your attention to Family Connect. This is a service provided by Birmingham City Council which you can access independently through a system called 'self-identification'. The service provides support if you need help with, or are worried about Health & Emotional wellbeing, Finance & Housing, Employment & Training, Child safeguarding, SEND & Child development, Domestic and emotional abuse, Crime and Anti Social Behaviour, if a Family is at risk of homelessness or requires support for vulnerable adults.

Scroll down the page until you reach 'Family Connect'

The locality Team which supports school and the majority of your addresses is Yardley but please check your postcode if you are unsure- details of how to do this are outlined on the website.

I hope you will find this service of use.
