

Year 6 Project Work

Our Confirmation Saints

The Year 6 children were asked to spend some time researching the saint whose name they chose for Confirmation. This information was to be presented to the whole class either as a booklet, poster or PowerPoint.

The brief was to explain the reasons this name was chosen for Confirmation. This included why they became a saint, which actions or key events were important to their saint and when they were canonised.

Finally, the children had to explain how they intend to live like their saint in their daily life.

We were astonished at the quality presentations the children produced and were proud to display them both at school and at Holy Souls Church.
