Dear Parents, Carers and Children,

Welcome back! We hope you all had a restful half term. We can see from the work we have received that you have returned to your home learning with enthusiasm, emailing English and Maths and often much more!

Following the Government announcement on Monday 22nd February we know that all children will return to school on Monday 8th March. We look forward to welcoming them back and resuming their learning at school. Further information and details about the return will be shared via email on Monday 1st March.

Until then, please encourage your child continues to work through their Learning Schedules, this will ensure they are all at the same point in their learning when they return. Please remember that every Friday summary feedback must still take place to give us an overview of the learning that has taken place across the week. Please continue to use the method you find easiest, either email or a message via Class Dojo. Again- thank you for your continued support.

Upcoming Special events

Thursday 4th March is...

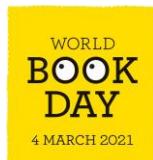

World Book Day.

At Holy Souls we always turn this event into World Book **Week** as a chance to celebrate the joy of books and reading.

At school on Thursday 4th March many of the staff and children in school will dress up as their favourite book character and we invite you to do the same from home, sending us pictures of your costumes. Please do not feel you must buy anything, it is even more fun to try and make a costume from the things you have at home.

We wonder who can find the most interesting place to read?

Look out for challenges from your teachers on Class Dojo.
