Holy Souls School is a place where everyone is important

As a Catholic school, our policy is based upon the principle that we are all created in the image and likeness of God. With God as the centre of all we believe. All stakeholders are expected to behave well, showing mutual respect, courtesy and consideration to each other. Policy and practice should promote mutual respect for all stakeholders where a good role model demonstrates self-control and self-discipline.

“Love one another as I have loved you.” John 16 v 12

Every child matters and should at all times feel safe and secure.
