Admission Arrangements

Pupils with an Education, Health and Care Plan

The admission of pupils with an Education, Health and Care Plan (EHCP) is dealt with by a completely separate procedure. Any child with an Education, Health and Care Plan must be admitted into the school that they name. Where this takes place before the allocation of places under these arrangements, this will reduce the number of places available to other children.

See Admission Policy for more information

Definition of SEND

The code of practice defines SEND thus:

A child or young person has SEND if they have a learning difficulty or disability that calls for special educational provision to be made for them. A child of compulsory school age or a young person has a learning difficulty or disability if they:

- (a) Have a significantly greater difficulty in learning than the majority of others the same age; or
- (b) Have a disability that prevents or hinders them from making use of educational facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post 16 institutions.

A child under compulsory school age has a special educational need if they fall within the definition at (a) or (b) above or would do so if special educational provision was not made for them (clause 20 children and families bill).

Allocation of Resources

Holy Souls Catholic Primary School

SEND & Inclusion Policy 2023-24

The head teacher and SENDCo are responsible for the operational management of the budget for SEND provision. The school will use a range of additional funding including the notional SEND budget and, where applicable, pupil premium to provide high quality appropriate support for pupils with SEND. Where a pupil's needs exceed the nationally prescribed threshold (currently £6,000) additional funding will be applied for from the local authority.

Access to the Curriculum

The broad and balanced curriculum is differentiated to enable all children to access the learning. Teachers have high expectations for all pupils. All pupils receive inclusive quality first teaching that is differentiated to meet individual need.

Identifying, assessing, planning and review is part of quality first teaching. Our Parents/Carer SEND Information Guide and Annual SEND Report provides a clear description of the details of what is available for all children with SEND through quality first teaching and what is additional and different provision. Teachers are responsible and accountable for the progress and development of the pupils. However, in order to maximize learning, some pupils are withdrawn, individually and in small groups, to take part in targeted, time limited interventions planned to meet particular needs.

Pupils with SEND are actively encouraged and supported to join in and benefit from additional activities and clubs as well as any wider community activities.

Identification, Assessment, Planning and Review Arrangements:

Holy Souls Catholic Primary School follows the graduated approach of assess, plan, do and review as outlined in the Code of Practice (2014). This approach is embedded in whole school practice for all pupils and every teacher is responsible for 'adapting teaching to respond to the strengths and needs of all pupils'. (Teachers' Standards 2012)

School assessment data, teacher judgments and, where appropriate, assessments from outside agencies are used to identify pupils who require additional and different provision. A provision map outlines all SEND support and is updated each term.

There are 4 broad areas of need:

- Communication and Interaction
- Cognition and Learning
- Social, Emotional and Mental Health (SEMH)
- Sensory and/or Physical Needs

The following are not SEND but may impact on progress and attainment:

- Disability
- Attendance and punctuality
- Health and welfare
- English as an additional language (EAL)
- Receipt of pupil premium
- Being a looked after child (LAC)
- Being a child of service personnel

SEND support: four-part cycle – The Graduated Approach

The identification of SEND is built into the overall approach to monitoring the progress and development of all pupils in school. Termly pupil progress meetings support the early identification of pupils who may have SEND. Where concerns are identified an initial concerns referral form is completed and discussed with the SENDCo.

1. Assess

The class or subject teacher, working with the SENDCO, will carry out a clear analysis of a pupil's needs. This assessment will be reviewed regularly. Where appropriate, professionals will help to inform the assessment. Parents will be asked to contribute to the assessment and this will be recorded and the minutes shared with all relevant parties. If any pupil has been identified with SEND the parents will be asked to agree to their child being added to the SEND list.

Holy Souls Catholic Primary School

SEND & Inclusion Policy 2023-24

2. Plan

Parents will be formally notified and will receive a copy of the 'meeting around a child' minutes. Adjustments, interventions, support and review date will be agreed with staff, parents and pupil. This will be recorded on the school information system, BromCom.

3. Do

The class teacher will remain responsible for working with the pupil on a daily basis and retain responsibility for their progress and outcomes. The class teacher will plan and assess the impact of support and interventions with any teaching assistants or specialist staff involved. Mr Henvey as SENDCo will support the above.

4. Review

The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed on the agreed date. Reviews will be held with

Parents and where possible, the class teacher. The class teacher, working with the SENDCo, will revise the support in light of the pupil's progress. If a pupil does not make expected progress over a sustained period of time school will seek specialist expertise. This will inform future provision. If a pupil does not make expected progress over a sustained period of time school will consider involving specialists.

Additional Top-Up Funding

Where a pupil's needs exceed the nationally prescribed threshold (currently £6,000) additional funding will be applied for from the local authority.

Education, Health and Care Plans (EHCP)

Where, despite having taken relevant and purposeful action to identify, assess and meet the SEND of a pupil, the pupil has not made expected progress, then school or parents will consider requesting an Education, Health and Care assessment. School will provide the local authority with evidence of the action taken as part of SEND support.

Further details on provision for pupils with SEND can be found in the SEND information document.

This report can be found on the school website and within the school brochure. It outlines the provision Holy Souls makes for all pupils with SEND

and within the four broad areas of need - communication and interaction; cognition and learning; social, emotional and mental health difficulties, sensory and / or physical needs.

Transition Arrangements

Transition is carefully planned. In order to ensure successful transition both within school and from school to school. Parents/carers will be fully involved in the planning for the transfer to the new school. Key information about SEND provision will be shared with the next school /setting through the review process.

Parents / Carers' SEND Information Guide

This policy, and the Annual SEND Report, can be found on the school website. These outline the provision normally available for pupils with SEND as well as provision within the four broad areas of need – communication and interaction; cognition and learning; social, emotional and mental health difficulties, sensory and / or physical. The Annual SEND Report includes an evaluation of the impact of the above provision on outcomes for pupils with SEND.

Partnership with Parents / Carers

Holy Souls' school has positive attitudes to parent s/ carers and values their important role in their child's education. Parents / carers are always informed when their child is placed on the SEND list and the graduated response, outlined in the Code of Practice, is explained to them. Parent Partnership Service information is also given.

They are fully involved in the review process. Interpreters are arranged for parents who require translation during meetings. Written information is in

Holy Souls Catholic Primary School

accessible formats and sufficient notice is given for meetings to enable parents/carers time to prepare. Parents are informed about Special Educational Needs and Disabilities Information, Advice and Support (SENDIAS) Service. This service provides information, advice and support at any stage of a child or young person's education, and provides an Independent Supporter for families in the process of getting an Education Health and Care Plan.

The Parental Support Adviser, is proactive in supporting parents in a variety of ways, including home visits, liaising with agencies, organising activities and facilitating and delivering training. The Common Assessment Framework (CAF) is used to coordinate support for children and their families who have a range of needs.

Pupil Participation

The views of all pupils are valued. Pupils with SEND are supported to be involved in decision making and to be able to express any concerns. All pupils are aware of their individual targets and a pupil review sheet is used to gather their views on their progress (where possible). Pupils in Key Stage 2 and above are invited to attend their termly review meeting.

Our Impact
