

KS1 Curriculum Overview Year Group: 2 Term: Spring 2

RE	Lent- The children will learn about the symbols and stories connected to Lent and begin Lent by receiving ashes on Ash Wednesday. In Holy Week they will recall and represent the events through art, drama and written responses. They take part in "The Last Supper" and "Stations of the Cross" prayer services and talk about the feelings of those who were witnesses to these important events.
English	Non-fiction- The children will learn to write chronological and non-chronological reports and their key features. They will research and write about Emperor Penguins, frogs and butterflies. Grammar- to understand and use possessive apostrophes.
Maths	Properties of different 2D and 3D shapes. We will also compare fractions.
Science	Living things and their habitats.
History	The children will learn about the life of Neil Armstrong and the importance of the landing on the moon in 1966.
Computing	Coding- Algorithms - Programming a simple electronic device. Children will investigate what algorithms are, how they are implemented as programs on digital devices and how to change the codes.
Art	Artist Study - Van Gogh. They will learn about the work of the artist Van Gogh. They will create artwork in the style Van Gogh's Sunflowers.
PE	Games: to learn the importance of playing as a team. Catching and throwing techniques and simple attack and defence techniques.
Music	The children will use their voices to express and create songs, chants and rhymes. Play instruments and experiment with creating different sounds. They will focus on dynamics and be able to describe music/songs in terms of fast and slow.
PHSE/RHE	'Relationships'- we will learn about families and friends. We will discuss conflict between friends and learn about how we can trust others.
