

KS1 Curriculum Overview Year Group: 2**Term: Summer 2**

RE	The Church-The children will learn about the roles and responsibilities in our church. They will also learn about the symbols and artefacts that help people to pray in church. The Mass- The children will learn about Mass and the order of their special celebration and the significance of the words, actions and artefacts used by the priest. One World Week~ Faith: Hinduism ~Holi and Diwali
English	The children will be writing alternative stories. The children will learn poems and discuss what they like/dislike about poems. They will also write their own poems and perform them to an audience. They will describing settings and writing facts about lighthouses. In reading they will focus on non-fiction and poetry and being able to use the correct vocabulary to explain. They will also revisit all the grammar skills taught this year.
Maths	This half term we will be reviewing all of our learning this year. The children will focus on the four operations and using the inverse to find an answer. They will also look in more detail at shape and measure and solving problems using time and length. We will have opportunities to solve problems, reason and explain our learning.
Science	Living things and their habitat: We will observing closely, using simple equipment. We will also gather and record data to help answer questions. We will discuss that most living things live in habitats to which they are suited and describe how different habitats provide a basic need.
History	The children will compare seaside holidays now and in the past and how travel has opened up the world for more people to go to different countries.
Geography	The children will continue on work on Tocuaro and compare school life and village live with our school and Acocks Green. They will also learn about the UK seaside and use vocabulary linked to the physical and human geography of these areas.
Computing	
Art	They will use colour and the knowledge of symmetry to design and make a Mexican mask, linked to the village of Tocuaro in Mexico. During Multi faith week, children will design rangoli patterns, mendhi, and make Diya lamps.
DT	Food technology: Children will prepare fruit and vegetables to make a healthy snack.

PE	Athletics- developing the skills
Music	
PHSE/RHE	TenTen: 'Three in one' and 'Our Communities.' Talk about the Holy Trinity and how we can be special to different people throughout our lives. List the different communities that we belong to and how we help make them nice places to be
