

Holy Souls Primary School Summer Term 2 Curriculum Overview Year 6

RE	<p>Our main body of work will be based around our sacramental work on <i>Celebrating Confirmation</i>. The children will be covering the following units of work: Unit I Easter, Unit J Pentecost, Unit K Belonging to the Church Community, Unit L Celebrating the life of Mary and the Saints.</p>
Literacy	<p>In Reading our Spine book will be 'The Boy in the Girl's Bathroom'. The children will complete diary entries and character descriptions from their work Spelling, Punctuation and Grammar work will be ongoing in the writing focus this half term as a means of consolidation. The children will use 'the Lighthouse' as a stimulus for narrative and will use other class texts to write an explanation and non chronological report text. Transition work focuses around <i>Kensuke's Kingdom</i> by Micheal Morpurgo.</p>
Maths	<p>Year 6 will use their fluency skills and apply them to real life problem solving e.g. mystic rose, code cracking, budgeting, planning a school trip.</p>
Science	<p>Over this half term, children will be working on light. Experimental and investigative work focuses on:</p> <ul style="list-style-type: none"> • making observations; • drawing conclusions; • suggesting explanations for conclusions, using scientific knowledge and understanding. <p>Work in this unit also offers children the opportunity to use scientific ideas to explain some causes of outcomes.</p>
PE	<p>There will be 4 activity groups (including swimming, gymnastics and football skills) led by the sports staff at Archbishop Ilsley.</p>
History	<p>The children will continue their exploration of Britain during World War Two. They will study the Blitz, Air raid shelters and the purpose of propaganda.</p>

	(The Blitz, rationing etc..)
Geography	The children will also work with maps through their WWII work.
Computing	<p>I.C.T. will be linked to all areas of the curriculum. They will use the internet safely to research their chosen saint. We will be using different software packages to analyse evaluate and present data based around these topics. Children will be taught to use formulae in spreadsheets to answer 'what if ...?' questions. They will explore how changes in a spreadsheet affect results and identify simple rules and controlling and modeling.</p> <p>We will also continue to use the SMART rules to keep ourselves safe online.</p>
Art	Our art project this will see children study the work of Seiger Koder, imitating his style and inspirational content. Using his pieces of work such as 'Stronghold', the children will create their own artwork representing our faith. This will be displayed in Church.
DT	Not taught this half term.
French	Identifying and explaining directions both written down and in conversation. We will be able to order in a restaurant or café asking for common items.
