

Year 5 Parent Information – Spring 2022

Welcome back to Year 5!

Welcome back to another busy school term. Your children have made a great start to Year 5 and are now familiar with the routines. The following information should help you support them over the coming term and answer any questions you may have.

This term the children in Year 5 will be using our in-class reading recording system to keep a note of the books they are reading. It is important that this book is in school every day. They will also be required to write a brief review of each book they read.

As in previous years, each child will be expected to read every evening for 20 minutes.

Please feel free to contact us on Class Dojo about their reading if you feel it is necessary.

For your information, the school website has an outline of all of the topics we will be learning about during each term.

If you have any questions please do not hesitate to contact us on Class Dojo.

Many thanks, Mrs McLoughlin, Mrs Stephenson, Miss Finnegan.

We will be continuing with our RHE programme this term. You can access an online parent portal to keep you informed of the work we are doing in school. The following are the login credentials for our school:
