

Year 4 Parent Information 2023/24

Welcome to Year 4!

Welcome back to another busy school year. Your children have made a great start to Year 4 and are beginning to become familiar with the routines. The following information should help you support them over the coming year and answer any questions you may have.

This year, the children in Year 4 will have reading diaries to record their daily reading. As in previous years, each child will be expected to read every evening for 20 minutes. Please record this in your child's diary every day.

Your child's class teacher will talk to them about the books they are reading and a record will also be kept in school. Please feel free to make a comment about their reading in their reading diary or via private message on Class Dojo.

If you have any comments about homework, Class Dojo is the preferred means of communication.

For your information, the school website has an outline of all of the topics we will be learning about during each term.
