

Recommended Reads

As I am sure you are aware, as well as being an enjoyable pastime, reading impacts hugely on children's writing ability and general learning. We encourage children to read as much as possible, both at home and in school. To assist with the difficult task of choosing a new book, we have put together a recommended reading list for each year group across the school. These books have been carefully selected by each year group with the end of year objectives in mind.
